“ *Fe was one of my dearest friends back in the day. I loved her very much. I just came across this obituary and am so saddened. I wish I would have kept in touch but the last time I communicated with her was to tell her of my little dog passing and that was in 2009. I missed her so much and now will never have a chance to tell her I am sorry. My thoughts and prayers to her family. Love you so much and see you soon my beautiful friend.*

“ *I had the honor of serving Fay breakfast and lunch all her years coming to the hospital! In those years we became friends, I thought of her as a grandma figure, I am going to miss her more than words! In 16 years at the hospital, she was my special one! I will never forget her, I will miss her always, I'm so thankful for the talk we had on Christmas Eve, she told me several times in that last week she loved me and I told her I loved her too, I truly did! Prayers for her family and pleas eknow she will be missed by all of us at St Anthony!! She was Amazing.*
