“Lori what beautiful people your mom & dad were. The most generous and loving people on this earth. So much fun at the lake and your house in Roselawn. Leslie & I will never forget the lovely baby shower they gave her for Blaine. I will never forget the wonderful years we spent working together at Lincoln School. Rest now my friend, you won this race.

“You were the best! Taught me how to swing a bat and even took some wiffle balls off the glasses. You also taught me how to care for those who can't care for themselves. You will be missed!

“You have our deepest sympathy. Flo was a wonderful fun loving person. We had so much fun with her and Mickey at St. Cecilia's Church. Her family is in our thoughts and prayers.

I so remember them both! One of the last times I saw your Dad was when he was in 318w. I remember your Mom wanting you to make sure everything was ok before you left that evening Lori. She was wise then and wise over these last years in counting on you to care for her. Take care 😔 Memories are forever.
