“ My mother Mary McRitchie Marler was a high school friend of Fran Sapper through the years. I recall taking my mother to visit Fran some years ago before my mother passed. It was interesting to watch old friends reunite. Sapper’s farm and market was a landmark on the Rt 51 curve back in my high school days, circa 1961. May Fran Sapper rest in peace having left a great legacy!

“ i worked at Sappers for three seasons when I was 15 years old. She was always kind and easy to work with. I lived close to her and when my mom Lois was still alive we always went to visit her. I knew the whole original family. She has now flown into the arms of Jesus. Love you Fran.

“ As a child, I remember going to Sapper's Farm Stand. Over the last few years, I remember Fran's beautiful smile and kind words. She will be missed. Goodbye birthday buddy until we meet again.

“ My sympathies go out to the Sapper family in their loss. I've known the Sapper family all my life. My sisters Jeaneane and Edith Vincent worked at their open-air farm market in the late 1950's. Such fond memories of going to Sappers for such good fruits and vegetables and other goodies!
May God give the family comfort at this time.

“ Deepest sympathy to all the Sapper family. Mrs Sapper was a sweet lady I remember back in 60's we parked next to a car in Key West or Cape Canaveral at that time only to later find it was Mrs and Mr Sapper, (had Hobart cars next to us twice that trip) Always loved going to the fruit stand as well. I am sure she will be deeply missed.
