“ I was unaware of Frank's passing until last night. I played in a band with him that was called Maze then rechristened Arena. We played songs by Rush, Thin Lizzy, Ted Nugent and UFO. He was a great singer and a solid guitar player. Wish we had made a point of recording that band. I will always remember him as a wonderful person. He will certainly never be forgotten. Kid Jackson

“ Frank was never speechless always had nothing but good words to say. First time I met Frank was at mom and dad's cooking breakfast (biscuits and gravy) what a great cook!
The whole time he spoke of my sister Kathy, looking out kitchen window often to see her in the yard. So sweet. Thank you for loving her so much! You will be so missed.

“ Frank was an excellent Firefighter and a great friend. He is the type of guy you would want your children to be like. Very sad to lose such a great friend. Another guitar goes silent. Maybe there will be a Jam session he can join. It's hard to say goodbye to such a great guy. So I'll just say I hope to see you later Frank.

“ Frank came over the 1st Christmas after Barry died and put together this big ATV that I bought for Drake. He put it together in the garage and we had to try to figure out how to get it in the house and put it by the tree. The frickin thing was so big and we were trying to turn it sideways and get it in the front door and trying to be quiet at the same time. Ughhh, We ended up laughing, seeing how big this thing looked in my living room. Thanks buddy, we will miss you dearly!!!!
