“ Frank Glinis was such a sweet person and he and his wife always included our family to their family gatherings! He was very proud of his family and what Julie did for him as far as taking care of him, also Don and Steve who did what they did for him when he needed help with the household. He treasured his memories of the family gatherings and would look so forward to them. He also shared with me the fact that his brother-in-law Herb, came and visited him weekly after his wife passed. He was very proud to have him as a brother-in-law and looked up to Herb being so involved with Meals on Wheels. He even shared the article with me at one point! We will so ever miss him and his laugh and all the fun we shared with the family throughout the years! May he rest in peace and enjoy being with his wife again. He always told me, he should have gone to eternal life before his wife! It was heart wrenching all the stories he shared with me! May he enjoy eternity now and no longer suffer. His children should be so ever proud that they did what they did for him throughout these past few years. Bless his heart! Bless Julie, Don and Steve for what they are going through right now during this difficult time!
