“ I went to grade school with Garry. He and I were very funny together and I spent many a day at the Weiss\' house. I remember a gold Torando and great swimming pool. Garrys mom took us to see Bonnie and Clyde which I remember for some reason like it was yesterday. I have taught all grades k-12, coached varsity baseball, and was head of my gifted program for the last 28 years. Garry like many of the kids who grew up in Miller Beach have all made a difference in this world. I am sad beyond words. May god have grace on Garry\'s family in the hard years to come without such a good man, friend, son and father.... Rest in Peace my brother...

“ My children and I were heartbroken to hear of Garry's passing. We knew him for 23 years. He tried two cases for me, but he was more than an attorney. Garry was a friend for life. He always made us laugh, and was there for us anytime we needed help. He encouraged me to seek a career in education, after raising 6 kids. I am still teaching.  
We will never forget him. Our prayers will continue for his family. God bless you and strengthen you.##imported-begin##Margaret J. Murphy##imported-end##

“ A true friend is the one who walks in when others walk out. A friend is someone who knows the song in your heart, and can sing it back to you when you have forgotten the words. A friend is one who believes in you when you have ceased to believe in yourself.  
Friends are the family you choose to have.  
Garry's beautiful soul touched many people and all us are grateful to have known him and we know he is always with us. Our thoughts are with the Weiss Family and know we will always be FAMILY. Newton, Wanda, Renee & Chad##imported-begin##The Robertson Family##imported-end##
