“ We had the pleasure of meeting Gary, Linda and Dutchess in punta gorda florida a couple years ago...we had a great time together..at the time my husband jim and my sister cathy and I only lived a few places up the road..Linda and I clicked immediately . Those other 3. LOL they were all always into mischief..at that time TRUMP was running for his first term..we were all fans..Gary had a Trump flag in his windshield of his motorhome. .which got him into a Lotta trouble..he didn't care it was funny until they made him move it..then jim found another one... we'll I cant post what it said but it was pretty bold..but gary got a real kick out of it! That was just one instance..kinda had to be there..it didn't take much to get them going....they all three always laughing..Linda and I and Dutchess stood by in amazement !!!
It's hard to believe jim , cathy ,Dutchess and now bodabing have all passed away..I can only hope they are behaving themselves Up there...Heaven help us!

My wife, Rosie, and I met Gary & Linda on a Passport America RV tour. We became fast friends and continued to stay in touch. We loved Gary like a brother and will miss him immensely. Rosie, too, has passed so hopefully she met him at the Gate to give him a big welcome and a private guided tour. I will always love the both. - MikeJ
Linda stay strong and call when you are ready to talk. Hugs!
