“ *My brother Gene was a great person and he will be missed by his family and many other people who knew him. Gene was my last brother that I had to part with. We have been miles apart for most of lives, but we were still close in our own special way. I dearly loved my brother Gene.*

Please consider this as my condolence to his great family.

“ *I will miss my Uncle Gene. He was my mother Jeanette's brother. Even though he lived miles away, he would be there for reunions and funerals. I always loved his kind smile and sense of humor. Even years after my Grandmother Hansen was gone, something in Uncle Gene's smile reminded me of her. My husband Mark and I both thought the world of Gene, and I know he will be greatly missed by his family and friends. Our thoughts and prayers are with Maurine, Mike, Mark and all of his family. “ Gene was my mother's brother and my uncle. We visited him & his
family several times when I was growing up. He was a fine person.
The last time he visited Portsmouth, Ohio, he told me then that it
would be his last visit here.
He will be missed very much. My condolences to Maurine, Mike,
