“ *To the Best Father-in Law a girl could ask for. A wonderful Grandpa, loving husband.*

I can remember Christmas I think he enjoy it more then the kids. He would block the boys view and ring those sleigh bells, and yell there goes santa. And the boys would yell Grandpa I can't see. We would open our present one at a time. He always want to see the smiles on everyone's face when they would open each present. Dad love his music and dancing, we always had to do the Michigan Polka together mom would say you go ahead. Because he could wear you out. I can go on and on I was blessed to have so manys years with him. I will miss him dearly, And someday I will see him again.

I Love you Dad
