“ I went to high school with George and we graduated together in 1969. I remember him as a happy guy who was always smiling. I am sorry he didn't get to go to our 50th class reunion. Everyone would have loved seeing him and he would have had a wonderful time seeing friends from years ago. He was a wonderful person and will be missed by many. Looking at his pictures I can still see the George I knew in the late 60's.
