“ Dear Kathy and family,

We're so very saddened by the news of your great loss. We've always loved George dearly for the wonderful man he was. He will be sorely missed but heaven has gained a faithful citizen. Can just picture Michele giving him the welcoming tour upon his arrival. We cannot be there with you this week but want you to know you are in our hearts and prayers now and in all the days to come and George will never be forgotten.

Sending our love always, your Michigan cousins, Marlene (Millington) and Ray Vincent

“ When we got married in 1982, our picture was in the local paper. Aunt Kathy's friend called her and said she think George has another son. There's a groom in the paper that looks exactly like him. Last names were different and she had no idea it was a nephew. After that, Uncle George always greeted Bob with, "Hello handsome!" We will miss him.
