“ *Jerry and Jamie forever etched in my heart looking over their little Tank at Pawster Park on a Saturday morning. We were meant to be fast friends. We did a lot together and know their love for God was first in their life. Gary and Jerry now share life with their maker and leave us better people for being a part of their walk here on earth as our husbands. Give Jamie the peace and love she needs as she finds a new journey without her love. Cherish your memories.*
