“ *My deepest sympathy to all of Gerrys adult children and their families. She shared many good thoughts of all of you. She was a good friend to me, and we enjoyed many times together. One of the best of our excursions was to LJSilvers for a fish sandwich after a class at the YMCA. She loved those sandwiches!! Our swim group have enjoyed her sense of humor and her generosity. We all loved her and will and have missed her smile. We are glad to have been able to see and visit with her at the nursing home, during times of being up, and then down, but she always loved the visits. Peg, Phyllis, Pat, Mary Ann, Laura and Karen.*
