“ *There's not a day gone by when I haven't thought of you. We have shared so many good memories. We have laughed and cried together. We raised our kids together. And stood together during horrible times of Scotty Larry and Jim. I know you're in a better place no pain no worries. I pray that when it's my time that you will be there shining bright waiting and we can have our last girls day out. Don't really know what I'm going to do without you. Love you girlForever friends!*

“ So many memories can be shared about this fabulous woman that so many of us called mom. My most favorite memory was sharing personal moments with her. She would listen, offer suggestions, and most of all she would offer her love. I will miss her with all my heart.
