“ *In the relatively short time we have known Gino, he was not only our neighbor but became a close friend. Always not only willing but wanting to help in whatever way he could. He was constantly concerned for our well-being. Anyone would be extremely fortunate to have a neighbor/friend like Gino. The world was a better place with Gino in it. Our heart felt condolences are extended to Micky and Gino's family. Go with God and rest in peach my friend.*
