“ *Dearest Giselle,*

I know that its been years since we last saw each other, but you have never been far from my thoughts. I have a lot of wonderful childhood memories with you, dear cousin. I never loved another doggie as much as I loved the one you gave me, Cuddles the white poodle (named after yours). I know it wasn't very original, but take it for what it was - I always looked up to you and wanted to be like you. I was 8, you were 9. I loved you - still do - always will. When we got in touch with eachother through MySpace, I was so happy. I was shocked to hear of everything you had overcome during your 10+ year battle with cancer. I prayed for you, and now I will never stop praying for Micaela. I am happy that you are no longer suffering, but you will be missed. The memories will live forever and I know you will always be near, as Micaela's guardian Angel. You are with God now, sweet Giselle. Peace be with you forever. I love you.##imported-begin##Joan V.
