“ It's so cold. My heart aches when I think where your body is at. But your spirit is all within us where you will live forever. I love you our dearest Father. Most beautiful soul, always there for all of us. There will never be another one like you.

Where did 6 months just fly by? Only thing now that is comforting, you are no longer in so much pain. :(

RIP our amazing, divine Father. I will see you soon.

“ :(I miss you. Nothing is the same without you. The house looks empty, the world looks empty, the only thing, I know that you are not in pain anymore.

RIP my Father.

“ *My Beautiful Father,*

Today is 6 weeks since you had taken your last breath. My heart is shattered with the thoughts of your cruel death and suffering.

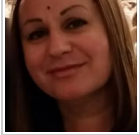

You were and always will be the best Father

in the world. Life is not the same without you. There are times that death is a savior, and God has his timing.

Rest in peace my beautiful Father. It still feels surreal, my heart will heal once I see you again. I love and miss you with all of my heart and soul. :(

“ Dear Dad,

I love you & miss you more than you will ever know. You are the BEST DAD anyone could ever ask for; you sacrificed your entire life for your family, always wanted to be surrounded by your loved ones. I'm soooooo soooooo sorry that we were not able to see you because of Covid-19 lockdowns, please know that's THE ONLY reason we didn't get to spend time with you. I am heartbroken forever until I get to see you again. LOVE & MISS YOU DAD. R.I.P. xoxoxo Jackie
