“ I am heartbroken at the loss of my dear friend. I met Gloria 30 years ago and gravitated right to her. She was everything I wanted to be, positive, loving and never taking “I can’t” for an answer. Gloria was my role model and over the course of many years, lunches and conversations, she taught me to be a confident wife, mother and daughter. When I first met Gloria I never knew she had MS for so long, because she never gave it her power, she was in charge of her life and she made the decisions. I’m so thankful that God brought her in my life at the right time and I will never forget her. My thoughts and prayers are with her family, she loved them so. God bless you Gloria, until we meet again dear friend. I love you. Sue
