“ I am so grateful to God for allowing Mrs. Gloria and my paths to meet. She was a resident here at Brentwood at Hobart. She was also a true joy and personal favorite. I will never forget the day when the Silver Sneakers program was here exercising with our residents. Mrs. Gloria was sitting in the front lobby when the song "Single Ladies" by Beyoncé came on. She immediately started to rock and clap. I got up from my desk and asked her to dance. Next thing I know Mrs. Gloria is up on her feet, swinging her hips, laughing, smiling, and having a grand time. She told me to "turn my back". So I turned my back to her and she placed hers against mine and did a dip and we just hollered!!!! Some of the aids and dietary staff heard the laughter and came running to join in the fun. It was such a sweet and unforgettable moment. Mrs. Gloria was cherished by all and she will surely be missed.

With Love,
