

Gordon Ian Scott

July 11, 1948 - November 15, 2023

Gordon Ian Scott, 75, of Crown Point Indiana, died November 15, 2023 from Alzheimer's complications in the presence and embrace of his wife and children.

He was born in Edinburgh, Scotland in 1948 to parents, John and Margaret Scott before immigrating to the United States as a young boy. Gordon attended Bloom High School and received an Associate's Degree from Prairie State College. He worked diligently as a credit manager throughout his career and was a proud Navy veteran serving in Vietnam.

For those who knew Gordie, they can attest to his passion for his beloved White Sox and Chicago Bears. Gordie also found joy pursuing his interest in sports as a youth baseball umpire and basketball referee. Never one to turn down a round of golf, or a nap on the couch, he also enjoyed coaching his two sons and watching them excel in their own right. Gordie, above all things, was a loving husband, father, and grandpa. His family was his number one priority and the fire that fueled him. Gordon lit up a room and his humor will forever be remembered.

Gordon was preceded in death by his father, John Scott and mother, Margaret Scott and is survived by his wife, Marjorie Scott and his three children: Brian (and his wife Ashley), Jason (and his wife Katherine), and Kristen (and her fiancé Austin), and his grandchildren: Sarah, Megan, Dominic, Eleanor, Evelyn, and William.

Gordon's life will be celebrated in a private event on December 2, 2023.

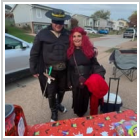

Donations to the Alzheimer's foundation of America would be greatly appreciated. <https://apps.alzfdn.org/afafundraising?PFR=121>. Burns Funeral Home & Crematory, Crown Point, IN, entrusted with arrangements. www.burnsfuneral.com
