“ Dear brother Guillermo, you will always live on our hearts, our Mother, Sisters and Brothers will always cherish the moments we spent together. We may not have seen each other eye to eye everyday but you were always in our hearts; Our hearts that now ache for the pain of losing you.
I would like people to know that you were, a fighter, a trooper that overcame adversities since you were a kid and fought until the very end.
The last weeks we talked, we cried, we laughed, we played music at 3:00AM, we saw the sun rise together. Our family walked together as one because the love and support that we have for each other is unconditionally.
I thank God for letting us be there with you until He called you home. You were loved by your family, and you will never be forgotten until we meet again mi querido hermano DESCANSA EN PAZ!!

“ *Mi tío Memin now sleeps in death but I know he is the safest place possible, in God’s memory. His beautiful face and lovely smile is already missed; but part of him lives on through his sons, granddaughter, & in the hearts of all who loved him. My tío would come in & out of our lives throughout the yrs. He was always very private - and became a puzzle that left me with many answered questions. Regardless of what we did not know we k we he loved his wife & sons. We knew he loved his family because he made an effort to visit & ask about everyone. I hold on to many funny memories as well and these comfort and ease the pain of his loss. We will not be asking - have you heard anything about Guillermo? Has Guillermo called? Has Guillermo visited anyone? We will not live wondering anymore about his where about. No more constant fear of the worse. We are thankful for Celeste fir reaching out and allowing us to show him our support and most importantly our love in the past days of his life. We are thankful & grateful that the Mtz family can come together, grieve together, and say goodbye to our loved Memin- Sonia Nevarez Mtz (Rivas)*
