“ *Gwen was our neighbor for years and we treasured her. If you needed anything she was there for you more like family than just a friend. She and Sissy moved from our town but we visited the two of them and kept our friendship going and growing. Joe and I will never forget all of outing for lunch with Gwen and Sissy; or Gwen coming over to show us the new car she bought years ago. We will have fond memories of her. May she rest in peace.
