“ Our condolences to all of Harold's family. You are in our thoughts and prayers.
I have very fond memories of Harold at church. He was always sweet, joking and laughing. He always had a smile on his face. He would always tease me when I was working in the kitchen. I looked forward to seeing his contagious smile. He will be missed. RIH Harold . See ya at the supper table. 💙

ME

“ Dad, words can't describe how I'm feeling since the day God called you home. My heart is hurting and is broken. You and Mom taught us to always love God first than family. You and Mom taught us how important to love and respect each other and how important family is. I have so many fond memories growing up. I'm so grateful your no longer in pain and not suffering anymore. I wish you were still here but I know that isn't part of God's plan. I promise all 5 of us will take care of Mom for you. I'm so thankful and grateful that we had you as our Dad. You're the BEST Dad anyone could ask for. I Love and Miss you so so much.
