Man this breaks my heart, 🥹 I literally just left his neighbor's house who lives in the back of the house he lived, only to receive this breaking shattering news, I'm lost for words and very sad to have just found out in January, may his soul forever rest in peace, didn't know him very long, maybe about five yrs or more, he worked on a lot of busted up vehicles and I must say, he was good at his craft, we'd sit and talk politics and laugh and joke sometimes when I'd take one of my vehicles to him for work or advice, I will truly miss him.. My condolences to all of his kids and loved ones and may God keep and comfort you all through these grieving times and heartaches, I loved the person Mr. Harry was, he was str8 forward with it, had a very genuine spirit.. Rest well Mr. Harry and I'll never forget you buddy 😊.. "Make Liberals Cry Again".. Long live Mr. King Harry 🙏.. Peace, Love and Blessings to his entire family 🙏
