“ Jackie Walsh was probably my first best friend...starting from when we were about 4 yrs.old.
We were neighbors.
So, we went all thru St. Catherine\'s and Norwood High School together.
Jackie brought a 5th grade class picture to our last high school reunion...When he showed it to me, he said \"There you are, Sistie..right in the middle...and you\'re still lookin\' good!\"
Was\'nt that just like him...always saying something great... always the perfect gentleman.

I wish to extend my heartfelt sympathy to all of his friends and to his wonderful family.
