I first met Helen in 1978 in Crown Point at Joyce's bookstore where I was teaching a class. Prior to moving to Tucson, I introduced Helen to my mother, Mae. Who knew at the time they'd become lifelong friends! Your mother was a dear, precious woman. She will be missed. Blessings and love to all the family and friends of this beautiful being of Light. My sincere condolences to you all. <3

“ *As friends since childhood we shared and enjoyed many happy memories. Helen had a keen interest in learning and read extensively. She was a great massage therapist in her younger years. She will be dearly missed. Rest In Peace my dear friend. Ann Versal*
