“ With profound sadness I offer my prayers and thoughts to you Sam and to your family at the passing of your beloved wife. She showed such an exemplary desire to know more and more about our Lord here on earth and now is able to comprehend fully the revelation of the Lord himself in the power and promise of his Resurrection. It was a delight being with her at so many conferences and days of reflection over the years. May the Lord give you strength and the spirit of Loving memories. With my prayerful best and gratitude. “ I am lost without you. You are my greatest role model, my biggest cheerleader, my pit bull, the one that helped me with all of my problems, my love for animals came from you. You are a beautiful soul. Idk how to live the rest of my life without you. Thank you for being my mom. I love you. Kim
