“ *Herb: You were my locker partner way back then. IF I make it to where you are now, safe, free of pain and troubles, try to put in a good word for me, and perhaps we can share once again?*

Friends for over 70 years. You and Arlene both will be missed as much as you are loved.

Sleep well old friend, your real journey has not ended, rather it has just begun.

“ So many wonderful memories of Herbie and Arlene. With Nanny and Grandad, dinners at the Country Lounge. At the lake house. All the times I got to interact and have some really good laughs with Herbie when he worked for National. This couple will always be sorely missed. Dance together kids.....we will never forget you!!!! Rest well in God's Peace.~
