“ While going thru Indiana on my way home from a MOS school, I stopped in to see Sharon. Sharon took me over to see Uncle Bud, in his front yard he had a Dolphin flag flying (representing submarine service) I ask him why he had that flying because he was on a destroyer. He said so did my grandmother, trying to protect grandma while he was at war. Great man

“ Newt, you were a very dear friend. I enjoyed being your paper delivery person. You were more than a friend. You were like a father to me. If I needed a friend all I had to do was go to the store and you would listen and give me advice. You will be missed my friend.
