“ *Hey Pops! I miss you. I will forever feel very blessed that I was able to have the time to just sit with you your last 5 months here on this earth. Some of my favorite memories will be having your coffee and honeybun ready for you when you started your day. Also, being able to say good night and I love you. Sometimes, saying it 2 or 3 times because I would wait for you to say it back. I didn't always get an, "I love you" back. I would get an "Ok." Ha! Ha! I understood. We all miss you so much already. Our lives will forever be changed. I love you Pops.*
