“ I have known Debra since the day Evelyn and I became best friends in ninth grade. That goes way back seventeen years ago. I was a very shy kid and she always made me feel like a part of the family and that I will never forget. She was a very kind, loveable, courageous woman. Debra will always hold a spot in my heart. My sympathies go out to Debra Sazo's family. Debra will be greatly missed.##imported-begin##Liz Darosa##imported-end##
