*Dear Grandma Isabelle, I may not have known you a lifetime like most, yet you have made a difference in my while I was helping your family as relief to the primary caregivers in the past year. I was as a cheerful servant to all as best as I could be given some extenuating circumstances at times. I will cherish the memories and lessons I have learned from all. You are held in God's loving arms and no longer living with illnesses. I love you. Elaine Willis*
