“ I'm so sorry for your family's loss. I always loved when Jack would come into the store. I always made sure to make him smile before he would leave. May God give your family peace and comfort through this difficult time. Thinking of you all. God bless

“ I never had the privilege to meet Mr. Teer, but I knew Nancy from her supreme kindness and diligence during my days with her at Kiwanis. What a magnificent family she must have descended from...I'll always be grateful for having known her. I wish I had known her dad.

Deepest sympathy,

Greg Bloskey

“ Jack was good friends with my 'step'sisters husband, Bill Sohn. When I was in a bad place and had to move back home, he and Bill came and helped unload the truck. I will never forget that. Thanks again, Jack RIP
