“ Thinking about Jack today, as he is laid to rest! It really hurts me that my family & I were not able to make the trip to say our goodbyes! He has truly been one of my very favorite men of all times! He was such a HUGE part of my childhood/holidays, and always called me his little girlfriend!! We love him and his family very much, and although he is at peace with Jesus now, the memories will live on forever! Xoxo!!

“ *When I think of Jack, the first picture that pops into my mind is his ear-to-ear grin and rosy cheeks. We had a lot of good times growing up with all our crazy cousins, and I have many fond memories of Jack and the fun we had. Its hard to lose anyone you care about, but especially one who had such a love of life and living. Life is a blend of love and loss, but love is always stronger, and love lives on forever. You will be missed, Jack.*
Love always,

Just discovered Jack's passing on 8-8-14 while talking w/ Theta Chi alum FRANK MIKLOZEK of Terre Haute. "Fat Jack" (as he was nicknamed in the early 70's) was in my '72 Pledge Class and performed "House Mgr." functions while living in the fraternity house on ISU "fraternity row." Jack had a great sense of humor and was a "take no hostage-type" ISU Intramural FB player, embodying the traditional "steel mill" toughness of Regionites with a work ethic equal to none.

God Bless...
