“ *Our paths went separate ways since HBHS days, hanging out with Jackie, Julie and Melody. I was so glad that thru Facebook we were able to reconnect. I have always treasured our time together and will cherish the memories. May God wrap his loving arms around this family and May the Holy Spirit comfort you in the days to come.*

*Till we meet again,

“ *Jackie got together with some girls in our Jr. High class at H.B. and bought me an electric blanket because my bedroom was so cold in winter. I didn't have nice clothes, and she'd let me wear hers. This was just how she was. Great job Ken and Pat! Jackie was a blessing to many.*

“ I always used to go over to Jackies whenever I was locked out of my parents house. I would always love saying hi to here from my parents deck and catching up whenever I came home. I will miss you dearly Jackie.

“ I first met Jackie in high school. We lost track of each other until we got back in touch through Face Book. I always enjoyed the songs she would share, they were oldies but goodies. Our generation. Great times. I will miss you Jackie until we meet again. My deepest condolences to her family.
