

Jacqueline "Jackie" Wallace

September 10, 1944 - April 14, 2026

Jacqueline "Jackie" Wallace, beloved daughter of Joe and Rose Racich, passed away peacefully on April 14, 2026, at the age of 81. Jackie was the embodiment of grace, beauty, and quiet confidence. She carried herself with a natural charm that made you smile. She had a remarkable way of knowing exactly who she was and what she wanted, a strength she instilled in those who loved her.

Jackie was deeply intelligent, endlessly kind, and the truest definition of a mother, grandmother, and friend—steadfast, caring, and always present. Whether tending to her garden, enjoying the classic movies she loved, or simply spending time with those closest to her, Jackie created a sense of comfort and belonging wherever she was. Her warmth and wisdom will continue to guide her family for generations.

Jackie's legacy is lovingly carried on by John, her husband of 60 years; her siblings, Louise (Bill) Weiss and Joe (Jessica) Racich; her children, John (Jane) Wallace and Jim Wallace; and her four grandchildren, Morgan (Michael) Tzolov, Alayna Wallace, Cami Wallace, and James Mores-Wallace.

Friends are invited to visit with the family from 12 p.m. to 4 p.m. with a prayer service at 2 p.m. on Sunday, April 19, 2026, at Burns Funeral Home & Crematory, 10101 Broadway, Crown Point. A Mass of Christian Burial will take

“ I met Jackie at the Bookclub at Dyer-Schererville Public Library and we became friends, as “the September girls” like she used to say. Her charming and elegant ways, as her nice manners and positive view of the books and the world in general made quite an impression on me. We enjoyed sharing life experiences and family stories in our brunches. She will be missed a lot by all of us, her friends. But we have the beautiful memories and pictures to give us comfort. RIP, dear friend.

“ I was devastated to hear Jackie had passed. Jackie and I had been friends since our high school days at Lew Wallace. After high school we went to Ball State University where we were roommates. I was one of her bridesmaids at their beautiful wedding and she was one of mine. Jackie and I grew up together enjoying many “secrets” along the way. After getting married, we kept in touch mainly by going out to eat—Teibel’s was our favorite and sometimes we even included our husbands.

Jackie was smart, funny, sophisticated, religious, outgoing, and loved her family of which she was so proud. She never forgot me even after I couldn’t physically join her for lunch—a true friend. I will miss her presence, but I do have wonderful memories.

Mike and I want to extend our deepest condolences to John and all the family.

“ I always thought of Jackie as my version of Jacqueline Kennedy. She was gracious and kind and thoughtful. Listening to her talk about her granddaughters with pride and enthusiasm made me want to be a grandma! She always had a kind word to say and made me feel very important in RCIA.

“ I have known Jackie since before we were married & working at the Anderson Co.
I was in her & Johns wedding. Such a warm, caring & loving person anyone would be fortunate to know. We did things as couples & had such fun being together.
We were close friends & kept in touch for the last 60 years.
I will miss her terribly & always remember her with love. I am so sorry she is gone but she is in Heaven with our loving Lord 🙏
God Bless John & Family ✝️

“ I first met Jackie at the Schererville Garden Club. Our shared interest in gardening made it easy to become fast friends. Her home and yard were always beautifully adorned with lovely floral colors. I so enjoyed my garden tours of her yard. Always a gracious hostess, she would serve tea and cookies in her living room before we would set out to stores of every kind - even thrift stores to find inexpensive items to place in our gardens. We always had to stop at Artful Garden as well to get the really good stuff! We could talk about anything. We laughed, we cried, we shared our life stories. She loved her family beyond measure. Jackie was a true gift from God to me, and I will deeply miss her sweet, kind spirit. Rest in peace, dear friend. Love, Arleen Duffy

“ *I first met Jackie at book club at the Dyer-Schererville library over 20 years ago. We enjoyed going out to lunch after the book club. We went to some of the new release movies as well. She was a good and caring friend during a difficult time in my life. She loved her family and going to the beach at her time share. She liked to dine out and bake special desserts. She was a good listener and although soft-spoken, was not shy about voicing her opinions. My deepest sympathy to John and her family. I will miss her.*

“ *Jackie was a long-time member of the library's book club - I got to know her every month and she always had a kind word and a smile.
