“ I just an hour or so ago learned of Jim's passing. Jim was as good a friend as I had for a big part of my life. While we stayed in touch, I wish we did so more frequently. I have a lot of memories of Jim, from high school, college, the White Sox and IU basketball. I will miss you, Jim. My sincere condolences to the entire family.

“ I am sorry to hear of his passing. We went to school together. He was such a nice guy and I enjoyed the times I would run into him. I think it was at our reunion the last time I saw him. He will be missed

“ Though I never had the opportunity to work directly with Jim, he would stop by my office periodically to chat. Thank you Jim for your years of dedication to students and our Ivy Tech Pre-service Teachers. You have touched many lives and will be missed greatly!

Jim and I worked together at Aetna and Kennedy King schools in Gary. We both taught Special Education and worked well together. He was a special friend to me. I was very shocked when I heard the news, and I will truly miss my dear friend! Sending my sincere sympathy to Patty and the Bartos family!
