“ I am saddened to hear about Jim's passing. I have very fond memories, as he was my first supervisor at Wm. Wrigley Jr. Company's manufacturing plant in Chicago. Jim hired me for summer work, as I also majored in Industrial Engineering..

After graduating from college, I continued to work with Jim in Corporate Engineering until transitioning to the Factory Engineering side. Jim was a great boss, a great storyteller, and his encouraging words and funny jokes made Wrigley a wonderful place to work.

I will continue to pray for your family. God Bless you!

“ Jim Cain Sr. was an entity all of his own. He was ornery & had a sense of humor next to none. He loved to get a rise out of anyone he could. He was a good father and loved his wife Peanut immensely. You will be missed!!! Rest In Peace Jim Cain Sr.
