“ *Just sitting here remembering when I was a little kid visiting my older cousins that I looked up to so much. I will never forget how great I felt when Jimmy and Reg would take me for a ride in their car, when we would play Jarts in the back yard on our visits, when I would sit in our front yard waiting for them to arrive and visit us, throwing the football with Jimmy in front of Grandpa's. The great memories of Jimmy will live forever. Our thoughts and prayers are with you all.* ”
