

## James "Jim" Carl Briney

June 15, 1929 - July 9, 2022

James Carl Briney, age 93, passed away peacefully on July 9th at home surrounded by his family. Born in 1929 to Carl and Hedwig (nee Rosenbaum), formerly of Hobart, he will be remembered as a devoted family man, and his 73 year marriage to his sweetheart Loraine served as the foundation of the strong family they built together.

Jim was a lifelong member of the Trinity Lutheran Church and school, and served as a former Church trustee. He was nearing his 75th year as a Union Carpenter and co-partnered Kingsridge Development Co. in Valparaiso. He also contributed to many important projects such as the Revelli Bandshell in Hobart and the Henry Crown Space Center at Chicago's Museum of Science and Industry. As a pillar of the community, Jim never lived more than a mile from where he was born, but he saw and accomplished so much throughout his life.

Jim is survived by his wife- Loraine; children-Dawn Krull of Hobart, Tim Briney of Homosassa, Florida and Scott(Krista) Briney of Roselle, Illinois; grandchildren-Erika Briney, Gina (Narin) Clouse, Greg Krull (Tasha Meachum), Jenna, Andrew, and Logan Briney; his great-grandchildren-Collin VanNoort, Sydnee and Lillie Krull, Brinley Clouse, Ayla and Kannon Briney; as well as several loving nieces. Jim was preceded in death by his brother-

Russell, sister -Thelma Loggie, son-in- law Mike Krull, grandson- Ryan Briney. Through his health struggles late in life, his family gives thanks to his three special caregivers-Jessica, Kathy and Florence.

*We fondly remember the Briney family from "down the street" from where we lived in Hobart. Our last night in Hobart (43 years ago), we stayed with the Brineys before we "took off for Texas" the next day. We mourn with you and believe with you that neither death nor life ... nor anything else in all creation can separate us from the love of God in Jesus Christ our Lord ... and we look forward to spending eternity together at Jesus' feet.*
