“ Oh Jimbo! I've been looking for you, hoping to not find this. I'll forever carry you in my heart! You were a great buddy! I have videos of you performing, I'll have to find & share. You were gonna buy a Cadillac & paint that M Fer pink! Lol. I'll never forget your fear of spiders & you shooting out your sliding glass window chasing a spider with a 12 gauge. Not sure how I'll tell Skipper this one. Love you lots! Fly free my friend! Play some Pink Floyd for my Pops while you're up there!

“ Sad news. Jim was a great musician, and I was lucky enough to have shared many stages and many lively times with him. A good guy, I'll miss him. Godspeed, buddy.

So sad to hear of Jims passing. I knew Jim, Gary, Bev and Ginger for many years, since childhood. He loved his music. I hope he found his stairway to heaven. I lost contact with him many years ago. Rest in Peace my friend. dgamaleri@yahoo.com. Dave Gamaleri
