“ I just heard about JD's passing this week. I previously worked with him for 5 years in the cath lab at Porter. He was fun to be around and definitely livened up the place. I can't stop thinking of him.

God rest his soul. Amy Tannish##imported-begin##Amy Tannish##imported-end##

“ Dear Dziejewicki Family, I am so sorry to hear JDs passing. I have not seen JD in many years, but have fond memories of working with him in St. A's cath lab. He was a great guy, always willing to lend a hand. I'll never forget when I brought home a live lobster for him from Boston (at his request). I think he was surprised that I actually did it.He amused us all with his stories of playing with his food before he ate it!I am praying for God's peace and comfort for you. “ Our family remembers the fun we had when all the cath lab staff would get together. I already miss the stories about JD hunting, sitting in a cold deer stand and all the things he did to attract the deer nearby. We will miss you JD, the sadness we have is infinitely deep. Our sincere condolences to Megan and Matthew and all of his family.
