“ Dear Ted, Pam, Robin & Family,

We are so sorry to hear the sad news. Jane was a great friend and put up an enormous fight against her disease, maintaining her sense of humor and managing to give us a positive feeling whenever we spoke to her or communicated by email. We were very glad to share a small part of her 70th birthday with her, as she sounded so happy and surprised on her day to hear from so many of her friends. We have fond memories of our days together in Pine Island that we will always cherish.

With warm thoughts and sincere sympathy,

Joe & Sharon##imported-begin##Joe & Sharon Carfora##imported-end##
