She also enjoyed scrapbooking, and cats, especially her companion Moose who was 16. She had some very special people in her life that had a big impact. Larry and Taty were her CNAs at Miller's Merry Manor that made sure she was always dressed cute, comfortable, and had a companion to talk to. Dr. Golubski was her kidney doctor that she loved and was outstanding. Jane's cousin Loreta that came frequently to visit and spoil all of us with some good Lithuanian food, Michael that had a long visit during her final week that had a big impact on her and lastly, her niece Briana, who was also her nurse throughout her final months. “ I remember the best of Jane at all of the Christmas Parties. She loved her family so much. I enjoyed watching her bring her homemade bags of presents to give to the kids. I think she enjoyed watching the kids open the presents as much as the kids enjoyed receiving the gifts! Jane will be greatly missed.

“ *There are so many memories with my aunt starting from when I was a little girl always being there for me, helping take care of Taylor and Briana while I was working nights at Walmart, giving me and Taylor a place to live when we had nowhere to go, always taking pictures to give us a lifetime of memories, and 5 days before she passed, she was in so much pain but she wanted to make sure Aiden had a Halloween blanket to remember her by and also ordered me Halloween decor for my table because she knows I love to decorate!! I could go on and on and on with memories❤️ All of us nieces and nephews we're blessed to have naney in our lives!! I will always cherish her and forever miss her*
