“ I remember when Aunt Jane gave me one of her dog Pal puppies. I snuck her home in my jacket. Little did I know that my parents had already said it was ok for me to have one since I was saddened by the passing of my previous dog Midnight. I also loved her cooking she made the best polish food ever! I will miss all the good times and parties we had as a child. Love you Aunt Jane will miss you dearly.  
Nina.
