

Janet P. Gasparovic

October 27, 1959 - November 3, 2018

Janet Pearl Gasparovic (nee Pantea) , age 59 of Hebron, IN (formerly Hobart, IN) passed away in the early hours of November 3, 2018 after a fifteen month battle with ovarian cancer. Janet was a warrior in every sense of the word, fighting valiantly until the end.

She is survived by her husband of 34 years Frederick Michael Gasparovic. She was a loving and dedicated mother to her five children: Heather Manno, Frederick (Jackie) Gasparovic, Sean Gasparovic, Nikki (Chad) Kalter and Michelle (Jourdan) Smith. Janet loved her ten grandchildren and adored time with them: Jordan, Gracie, Olli, Rylo, Freddy, Maggie, Josie, Holden, Merrick and Kale.

Janet was preceded in death by her father, Romy Pantea and mother, Anne Pantea. She is also survived by her siblings Marianne Hinkle, Romy Pantea and Lori Armstrong.

Janet had a sisterhood of friends since childhood that have always been by her side. She was an accountant by trade and most recently worked for Eastern Express Trucking Co. She took great pride in her work and spoke fondly of all those she met along the way.

Janet was an avid cook, she looked forward to her Bunco groups, played golf, loved music and always enjoyed having fun and laughing with friends and family. There are so many memories to share and inspiring qualities that Janet possessed; from her giving heart, friendly nature and compassion for animals to her overflowing love for her children she so desperately did not want to

leave. She has certainly left our lives too soon but her love, laughter and zest for life will live on.

“ *I know I'm two and a half years late but I couldn't bring myself to write about her. She was one of the best people in my life and when she died, I lost a part of me. She was there for so many things, I couldn't imagine living without her. Sometimes I hear a song or see something that just sparks a memory of her and sometimes I tear up but in overall, I know she's with me. She was with me for my nominations at school, and for my first boyfriend. I miss her so much but I know in my heart that she is watching over me and living in my heart.*

“ I first got to know Janet when I was driving her and my brother around Southern California trying to organize everything for their wedding. She and Gary would argue constantly and every time they got going I would turn up the radio until they stopped! The marriage was probably not meant to last, but they did produce a fantastic child together - Heather! For which they both should be proud. I know I am. Rest in peace Janet, you deserve it.

“ I remember the day I met Janet, it was her first day at my high school. Forty plus years later we were still great friends, we never forgot each other. So many memories it's too hard to pick one. I'll just remember them all as being the reason I loved this lady so much. She was all love and the most real person I've ever known. See you on the next road old friend, remember, no goodbyes. Love you J
