“ My aunt humor and ability to lift up room of people was amazing. I loved coming to her house as a little girl, she would cook this large spread of food that would knock you off your feet. She would call me skinny minny and make sure I was feed. You will be missed, love you auntie

“ Oh Janice...it's hard to say good-bye. You were one of a kind. Even though you tried to hide it, your heart was so giving and tender. Your humor and quick-wit made every person you met, welcome. You loved your Charlie, and your face lit up when you talked about your grandchildren. How great it is that you now have no more pain or infections or dialysis! Our hearts and prayers are with you, Charlie, Nicole, Shawn, Traci.

“ *What an amazing person. Just got to see Janice a couple of months ago and she had me laughing like crazy just as she has for decades. Her smile could turn your bad day into a great day. Thank you for being so kind to my father when you drove the van and for being so kind to everyone you came in contact with! RIP Mrs. C*
