“ *Very sad to hear of her passing. Growing up, she was a very large part of almost everybody's lives in the Crown Point community. She will be greatly missed and my thoughts are with her family at this point in time. She was a wonderful, inspiring lady.*

“ *I am so sorry to hear of Janice's passing. Janice and I were best of friends during high school. We graduated together. I always considered her to be a very honest and fun loving person. If I had ever had a siser I would have wanted one just like Janice. May God be with all of her family during the most difficult time and remember -- Janice will always be with us in her own loving way.*

“ I attended high school with Janice at Martinsville, Indiana. I have not seen Janice for a number of years but I will always remember her beautiful smile and warm personality. Janice graduated near the top of our class and always volunteered to help anyone that needed help. I am sad to hear that the world has lost a such a wonderful person and I will always remember Janice. Rest in peace and my thought are with the family during this most difficult time.
