“ I'm proud to forever call Jason my husband. He was an amazing person who would do anything for anyone in need. He loved and cherished his family. He was a great dad & step dad and a wonderful papa. When his heart stopped beating the hearts of so many who loved him were broken.i will forever be missing a piece of my heart as it went with him. When he told me I'd be his last first kiss I never imagined this, he was my rock my heart my everything. And he will be loved till I'm by his side again.
