“ *Jeanne was my high school "pal" and close neighbor. We shared many happy memories in our young lives, but time and distance took its toll, and we lost touch. She was a kind person, a gracious lady, and a great friend. She will be missed.*

“ *Jeanne was the sweetest person! I have known her since the late 50's and spent a lot of time at her house when we were young. She was popular in high school - everyone liked her very much. I last saw Jeanne a few years ago at a nursing home - we were both visiting there. She was beautiful and I was amazed how she was not showing her age! She was a very caring person with a lovely soul....*
